

SUDHAKARAN S

Managing Director & Chief Management Consultant | Strategic decision-making | Business development

A Mathematics graduate with over 35 years of experience in the corporate world, currently heading Connect Management Consulting Services as the Managing Director, Mr. Sudhakaran brings a wealth of knowledge and expertise to his role.

At the early onset of his career, Sudhakaran has served as a member of the National Stock Exchange and Coimbatore Stock Exchange, gaining valuable insight into the financial markets. For the past 25 years, Sudhakaran has held management positions in top corporate organizations in the power and IT integration sectors. His expertise lies in Sales and marketing, system and process improvement, organizational evaluation, corporate health checkups, and exit planning.

In his most recent assignment before founding Connect Management Consultancy Services, Sudhakaran served as the National Head (Sales and Operation) for Fuji Electric India Pvt Ltd.

His role at Connect Management Consulting Services encompasses and guides the company's growth to become one of the top companies in the management consulting domain.
